**Re: Moran v. MTA Metro-North Railroad Company, et al.**  
**Case No.: 1:19-cv-3079 (AT) (KHP)**

Dear Judge Parker,

This office represents Plaintiff Thomas Moran in the above-referenced action.

Both parties respectfully request an adjournment of the settlement conference now scheduled for Friday, February 7, 2020 to April 29, 2020 or May 5, 2020.

The Defendants are filing a motion for summary judgment on February 7, 2020 and the plaintiff will need time to evaluate their legal arguments.

The defendant's attorney is not able at this time to evaluate the plaintiff's claim and obtain settlement authority from the MTA because he has not received his expert reports concerning the plaintiff's injuries and damages.

Furthermore, both parties have agreed that a settlement conference would not be helpful at this time and that an adjournment of three months will allow both parties to engage in a more productive settlement conference.

This is the third request for an adjournment of the settlement conference. On December 10, 2019 Attorney Efron made a second request for an adjournment [Doc. 59]. The Court granted this request on December 11, 2019 [Doc. 60].

Respectfully submitted,

By /s/ George J. Cahill, Jr.
